KATHERINE B. FORREST, United States District Judge:

The Court has recently received a number of motions and supporting materials in this case. This information has provided the Court with a far better understanding of the alleged conduct of the various defendants and the representations regarding the nature and strength of the evidence.

Based upon the Government's proffer of information in those papers, the Court has determined that an immediate bail revocation hearing for Robert DeBello is appropriate. Accordingly, the parties shall appear for a bail revocation hearing **today at 3pm in Courtroom 23B.**

SO ORDERED.
